

DIGITAL MARKETING INTERNSHIP PROJECT REPORT

Brand Name: ClickCraft Fitness

Domain: Digital Marketing & Content Strategy

Date: August 2026

Website: clickcraftfitness.wordpress.com

EXECUTIVE SUMMARY

This project demonstrates the execution of key digital marketing workflows for ClickCraft Fitness. The scope encompasses setting up an audience outreach email campaign, configuring Meta social advertising campaigns, and implementing search engine optimization (SEO) heading tag hierarchy across blog content.

TASK 1: MAILCHIMP EMAIL MARKETING CAMPAIGN

Objective: To design and configure an email newsletter campaign in Mailchimp to drive subscriber engagement and blog traffic.

Key Work Completed:

- Created and configured the primary target audience list for ClickCraft Fitness.
- Designed a clean, responsive email template aligning with brand aesthetics.
- Integrated clear Call-to-Action (CTA) buttons linking subscribers to newly published blog resources.

TASK 2: META (FACEBOOK) ADS MANAGER CAMPAIGN SETUP

Objective: To build a structured paid advertisement campaign architecture targeting fitness enthusiasts on Facebook/Instagram.

Campaign Architecture:

- CAMPAIGN LEVEL: Objectives established for brand awareness and website traffic (ClickCraft Fitness Blog Ad).
- AD SET LEVEL: Audience demographics, placements, and budget parameters configured.
- AD LEVEL: Ad creative, primary text copy, and destination URL established with "In Draft" status.

TASK 3: WORDPRESS CONTENT STRUCTURE & SEO HEADING HIERARCHY

Objective: To structure blog content using proper HTML heading hierarchy (H1, H2, H3) to optimize content for search engines (SEO) and improve reader navigation.

Blog Post 1: Starting Your Health Journey

- H1 (Post Title): Starting Your Health Journey
- H2 (Main Heading): Essential Tips For Beginners
- H3 (Sub-heading): Daily Nutrition & Hydration

□

Blog Post 2: Hello World! / Workout Routine

- H1 (Post Title): Hello World!
- H2 (Main Heading): Setting Up Your Daily Workout Routine
- H3 (Sub-heading): Warm-ups and Recovery

CONCLUSION

All three core tasks—Email Campaign Design, Paid Social Campaign Structure, and On-Page Content Optimization—have been successfully executed according to digital marketing standards.
